Thank you to 138 Alaskans who chose to give cash and make change for Catholic Social Services (CSS) by donating through the 2009 PFD. When you apply on-line for your Permanent Fund Dividend you have an opportunity to give all or a portion of your PFD to CSS. Please join your fellow Alaskans & share your PFD with CSS clients.

CSS provided help and created hope for 18,917 people last year through nine social service programs.
